Sharmila Kumbhat
Director, K-Lite Industries

"Everyone is born with different strengths and develops new ones. I am grateful to be blessed with a certain design acumen, a double dose of common sense and I never give up." – Sharmila Kumbhat

As women are making a mark for themselves as leaders in various fields such as business, design, and manufacturing, Sharmila Kumbhat celebrates this as the Director of K-Lite Industries. A confluence of innovation, intelligence, and passion, Sharmila is an interior designer by profession and an entrepreneur by choice. This awe-inspiring leader behind the K-Lite Industries' recent phenomenal success, joined K-Lite in 2012 and within a short span of time was promoted to the role of "Direct Business Development." Under her daring and dynamic leadership, K-Lite has broken into international markets, and progressed tremendously with five-fold increase in turnover. In 2017-2018, K-Lite was awarded "Asia One-Week's Greatest Brands" for its architectural lighting and poles.

Maximizing The Visual Comfort For Spaces – K-Lite Industries

Driven by a path-breaking vision to design and manufacture luminaires for architectural lighting, K-Lite Industries strives towards high-quality solutions with a

deep-rooted pursuit for excellence. As a continued step towards building a sustainable company with inclusive growth for design and quality that is internationally recognised, K-Lite maintains its core Indian values. The genesis of K-Lite Industries was based on the need to put a new spin on lighting products that are of high quality and sustainable. Since its initiation in 1977, K-Lite has been steadily working towards becoming the leading manufacturer of Architectural luminaires and decorative poles.
