

niva 2.0

Niva is a premium, silicone flexible LED strip that features advanced co-extrusion technology. Its high-quality construction and exceptional flexibility make it suitable for a wide variety of indoor and outdoor applications. It offers seamless and uniform light output with no visible dots, enhancing the overall aesthetic. Proper installation is crucial to maximizing the performance and benefits of this product.

MATERIAL

Body : Silicone - Top bend
Ingress Protection : IP67
Diffuser : Silicone
Mounting : Surface (Aluminium Clip / Aluminium profile)

ELECTRICAL

Driver : Constant Voltage
Power Supply : Non-Integral
Operating Voltage : 24Vdc

PRODUCT CONFIGURATIONS

Wattage : 9W/m
Beam Angle : 120°
CCT : 2700K / 3000K / 4000K / 6000K
LED Life Time : L70 B10 20,000 H

AREA OF APPLICATION

Shopping malls, Buildings, Advertising lights, Accent Lighting

Technical Specifications

General

ID	: 3396
System Wattage	: 9W/m
LED's per m	: 120 pcs
Cut. Length	: 50mm
Roll	: 5m / Roll
Driver Non-Integral	: Constant Voltage
Operating Voltage	: 24Vdc
Operating Temperature	: -15°C~+50°C

Light Source

CRI (Ra)	: ≥80
LED Colour Temperature	: 2700K / 3000K / 4000K / 6000K

Driver

Power Supply	: Non - Integral
--------------	------------------

Optical Performance

Luminous flux	: 550 lm/m
Beam Angle	: 120°

Physical

Body	: Silicone - Top bend
Mounting	: Aluminium Clip / Aluminium Profile

Top bend
